

### Christmas Get Togethers

DKW went out to Piazza for dinner with some of our old regulars who are home in Oban over the Christmas period. Ewen even managed to join us for dinner, which was great. We then went back to the well to play games and drink mulled fruit juice. Had a fantastic wee evening together and got a great selfie of the crew. Cartriona came down to the well with lots of stuff from the garden so Xplore and GFG could make table centre pieces and wreaths. We also had a lovely evening together the following week when we watched the Santa Clause Movie together and enjoyed lots of party snacks.

### Xplore Xtra

We felt it was time for another Xplore Xtra and we took some of Xplore and DKW down to Dunoon to spend a Friday evening at eXp club with them. The Xplore Xtra's are great opportunities for our young people to spend time with and build relationships with other young Christians across Argyll. Everyone

had a really good night down in Dunoon and we are hoping to plan more get togethers soon.

*“Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.”*

**Philippians 3 v13-14**

We had a fantastic time in the Green Shoots Garden making Christmas wreaths and decorations. Despite the challenging weather we were able to get creative with lots of folk. For those unable to make it to the garden we also ran the session in the learning support department; H<sub>2</sub>O's GFG and Xplore group and we had a very special time at the Friendship Club where we shared the Green Shoots story and made over 20 Christmas candle decorations.

### Christmas Open Days

### Girls Night

Jessica Reeves (Dkw young person) had her last Thursday with the group before she moved to Edinburgh. We had a lovely girl's night out at Katie's Sims house and played board games to say goodbye to wee Jess.

### Power Point

The latest trip to PowerPoint was enjoyed by folk from H<sub>2</sub>O, Oban and Exp, Dunoon. Everyone had an enjoyable time and the event was followed by some social time and food at a MacDonalds.

### A New Tool Store

A big thank you to Argyll Countryside Trust who have worked hard in the frost, snow and rain to renovate our new tool store (which was kindly donated by Boots, Oban). This involved repairing the floor, digging out foundations, building shelves and painting the shell.

### A Message From Becky

Hello all! I'm feeling so thankful and blessed to have this opportunity to be working with H<sub>2</sub>O. I came to Oban in August with my husband Matt because of his work (he is a fish farmer) and have enjoyed settling into west coast life! For the first few months I was finding my feet and wasn't too sure what God's plan for me here was but it has slowly unravelled.... and here I am 😊 Alongside working part time with H<sub>2</sub>O I am also doing a couple of days supply teaching at Dunbeg Primary. I am continually in awe of how God works things out for us when we trust in Him alone. Looking forward to all that is in store!
