Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new.

2 Corinthians 5:17

Please give thanks for:

Youth Work, including...

- The **holiday season** and the rest and celebration that they brought. Give thanks for a new year and the start of a new term.
- The **new chaplaincy team** that has emerged and for the Christmas service that they co-ordinated alongside H2O staff. There were so many pupils wanting to attend that we had to run 2 services which was a huge encouragement!

The Green Shoots Project...

- The opportunity to come together and worship as a community at **Christmas Praise**. For the number of young people and people from the garden to share their experiences of H2O and to celebrate Jesus' coming. For the Space n Bake group who coordinated the cakes and refreshments, Green Shoots who made Christmas decorations and for those who did readings, sung in the worship group, made the film clips and helped behind the scenes.
- The number of **people attending**, and the chance for different people in the community to get together, to make Christmas Wreaths and Decorations. Over 140 people attended the various sessions around Oban including one at the garden, one at the Hope Kitchen and a number at Oban High School.
- For the **volunteers** who have been coming up to the garden over the winter, especially as the weather has been very harsh and for all their help to improve the pathways for disabled people and to erect the yurt.

The unfailing love of the LORD never ends! By his mercies we have been kept from complete destruction. Great is his faithfulness; his mercies begin afresh each day. I say to myself, "The LORD is my inheritance; therefore, I will hope in him!"

Lamentations 3:22-24

Please pray for:

Youth Work, including.....

January

- The **new school term** marking a start of 2018 in Oban High school. Please pray for the pupils who will be doing their prelims this month.
- The **Deep Impact event** that our H2O workers and a number of volunteers are attending in Aviemore. This is a great opportunity to get together with other Christian youth workers, share ideas and be equipped by great teaching. Please pray that this will be a restorative time away and will equip us well to continue with the work of H2O.
- **Volunteers to come forward** - we are particularly needing a volunteer to help out with our weekly photography club.
- **Joan** as she has a busy month balancing work and also study- she has a study day and also an assignment due this month. Please pray she will feel energised to do both to her best ability and feel productive and peaceful during this time.

February

- The H2O team (staff and board) are planning on **getting together** this month to seek God's wisdom on the work of H2O and how they progress into the year ahead. Please join us in prayer and ask God to make clear His plans for this work and guide us as we plan.
- The **PowerPoint** event in Glasgow which is taking place on Saturday 24th Feb- this will be a great opportunity for our young people to gather with others to learn more of God's word and worship together. If you know of anyone high school aged who would like to come along to this event please contact Becky at becky@hope2oban.org.uk
- **Zoooom!** camera club will be attending their annual camera competition with Oban camera club. Please pray for the preparations that will be taking place and that this event is a positive experience for all involved. Give thanks for the Oban camera club and its members for kindly hosting this event.

Green Shoots Project...

- The next couple of months we will be focusing on **building projects** in the garden including the erection of a commercial poly tunnel, the renovation of the green house and completing the chicken run. Please pray that we will successfully overcome any issues we face and that we will be able to share gifts and experiences.
- The **new referrals** that we have received from the community for the garden. That we will be able to meet their needs, they will be able to contribute their gifts and that they will be able to benefit from their time in the garden.
- For those who have **started work or college** who have completed their volunteer placements up at Green Shoots. That they will be able to confidently achieve their goals.
